

Hello all,

The GA marked the first night of spring and now the MSS democratic spring whirlwind is ready to kick into high gear with the **official opening of nomination period for the MSS Spring General Elections**. You heard it here first - this is not a drill.

Nomination will last 7 days (from Friday March 24th to Friday March 31st 11:59 p.m.). You will need to fill the form on the MSS website with autographs of peers willing to endorse your candidature. Please **forward the completed form in PDF to [elections.msscouncil@gmail.com](mailto:elections.msscouncil@gmail.com) before the end of nomination** ( Friday March 31st 11:59 p.m).

So many positions up for elections, so much variety it makes the UGME's unique identifiers feel like normies -- **see end of the email for positions**.

I know everyone has a copy of the elections guidelines handy on their phone next to their Uptodate or Medscape, but just in case you're out of batteries, here is also a general outline of the timetable:

#### **Nomination period**

After winter, it's time to plant the seeds of the future of the MSS. We need you to make the MSS blossom again next year. **The MSS encourages students with lived experience of discrimination and from underrepresented groups in medicine to apply.** A diverse and representative bouquet is a most pleasant sight!

For any questions, please email me at [vice-president.mss@mail.mcgill.ca](mailto:vice-president.mss@mail.mcgill.ca)

Looking forward to seeing a flourishing campaign.

Best,

Assil Abda
